Accident Insurance Claim Process

Submitting an Accident Insurance claim doesn't have to be challenging. Below you'll find the information you need to make the process go smoothly, so that you can receive payments quickly and focus on your recovery.

Complete an Accident Insurance claim form:

1. Visit mybenefits.metlife.com to access and submit your claim form electronically. You may also call MetLife at 866-626-3705 (Monday–Friday, 8 am – 8 pm EST) to request claim forms to be sent via mail.
2. Please provide supporting documentation from the healthcare provider related to the injuries and services received for which a claim is being made. The supporting documents **MUST** include 1) patient's name, 2) service dates, 3) verified diagnosis and 4) specific procedure or treatment.
3. Documentation that will be helpful to MetLife in making a claim decision include itemized invoices for services received; copy of discharge papers if treated in the emergency room; if admitted to the hospital, documentation from the hospital that details admission and discharge dates, diagnosis and room assignment (ICU and/or Non-ICU); or Motor Vehicle Report if applicable. For additional information on what is needed to process a claim, please review the list of documents on the claim form and the details within your certificate.
4. If this is an additional claim for an accident previously reported (i.e., claim previously submitted and additional services were incurred), no claim form is required. Please include your claim number and/or certificate number on all pages of the additional documentation you submit.
