- Members are encouraged to always obtain prior approval when using Out-of-Network Providers. Precertification will help the member know if the services are considered not medically necessary.
- No charge means no deductible / copayment / coinsurance up to the maximum allowable amount. 0% means no coinsurance up to the maximum allowable amount. However, when choosing an Out-of-Network Provider, the member is responsible for any balance due after the plan payment.
- If you have an office visit with your Primary Care Physician or Specialist at an Outpatient Facility (e.g., Hospital or Ambulatory Surgical Facility), benefits for Covered Services will be paid under "Outpatient Facility Services".
- Costs may vary by the site of service. Other cost shares may apply depending on services provided. Check your Certificate of Coverage for details.
- The limits for physical, occupational, and speech therapy, if any apply to this plan, will not apply if you get care as part of the Mental Health and Substance Use Disorder benefit.
- Ohio's House Bill 388 and the Federal No Surprises Act establish patient protections including from Out-of-Network Providers' surprise bills ("balance billing") for Emergency Care and other specified items or services. We will comply with these new state and federal requirements including how we process claims from certain Out-of-Network Providers.
- Benefit Period: Calendar Year.
